

There are **easy ways to invest in Gold and Silver** now. The National Spot Exchange has two new products called "E - GOLD" and "E- SILVER". Chona is a member of NSEL. (<http://www.nationalspotexchange.com/>).

One can buy Gold bar / Coins for delivery (8 grams, 10 grams, 100 grams, 1000 grams or multiples thereof) through CHONA. This will be a great opportunity to invest in gold and keep in physical or demat mode. Investors will be able to hold the commodity in their Demat account exactly like equity shares. For Example in case you accumulate 25 grams and you want take delivery. You will get 2 coins of 10 gms each and balance 5 gms will remain in your demat account. The contract size is 1 unit of E-Gold or 1 gram of Gold which can also be traded intraday.

The contracts size of e -silver is of 100 gm and multiples thereof. One can take delivery of 1 lot of silver which is 100 grams or multiples thereof. This will be settled completely in demat form in 2 days time. Physical silver can be taken delivery in lots of 100 grams, 1 kg, 5 kg, or multiples thereof. This will be received in 15 days from delivery notification. Silver will be stored in exchange designated vaults for the demat units.
